

BUILDING MONGOLIA'S LEADING PRECIOUS METALS COMPANY

BUILDING A NEW MID-TIER PRECIOUS METALS PRODUCER

Investor Presentation

January 2024

TSX: **STGO** / OTCQX: **STPGF** steppegold.com

Steppe Gold is merging with Boroo Gold LLC to create the leading and largest gold producer in Mongolia. The Company is increasing its production from 30koz to +160koz of AuEq per annum by 2026.

 $30Koz \longrightarrow 60Koz \longrightarrow 2025 \longrightarrow 90Koz \longrightarrow 2026 \longrightarrow 160Koz$

AN ACTION PACKED EXPANSION STORY

ABOUT COMPANY

ACQUISITION OF BOROO GOLD

TRANSACTION HIGHLIGHTS:

- Steppe Gold has signed a binding term sheet to acquire Boroo Gold LLC in an all-share transaction, with closing planned for June 2023.
- Boroo Gold is a leading gold producer with an average gold production of over 60,000 oz per annum to 2030 and an AISC of \$1,000/oz.
- Steppe Gold's annual production is expected to increase from 30,000 to 90,000 oz, pro forma for 2024 and 2025.
- Total gold production is expected to rise to 160,000 oz per annum in 2026 as Steppe Gold's ATO Gold Mine Phase 2 Expansion comes on stream in Q1 2026.
- The Proposed Transaction is expected to add to the over 4.4m oz AuEq existing resource base of Steppe Gold, for a total of close to 5m oz Au Eq, with a combined mine life of beyond, with ongoing exploration at all projects.
- Boroo parties have the first right to acquire the Tres Cruces gold project in Peru following the completion of the Proposed Transaction at fair market value.

AN ACTION PACKED EXPANSION STORY

ABOUT COMPANY

ABOUT STEPPE GOLD

STRONG MONGOLIA PRESENCE

- Headquartered in Mongolia, management with proven track record.
- Strong social license to operate and strong local financial support.
- 99% Mongolian nationals and 75% are from the local region.

ATO GOLD MINE - PHASE I IN PRODUCTION

- ATO Gold Mine has 1.7Moz AuEq in reserves and increasing.
- Producing gold from heap leach operation from oxide zones.
- Produced over 100,000 ounces of gold to date.

ATO GOLD MINE - PHASE II FULLY FINANCED

- \$150M funding fully secured and targeting Phase 2 production by Q4 2025.
- Over 100,000 ounces AuEq per annum for 12 years /1.24Moz AuEq/.
- Estimated to generate over US\$2.2billion, including production from oxides.

EXCITING PORTFOLIO WITH HUGE UPSIDE

- One of the largest exploration packages in western Mongolia.
- One of the world's highest grade deposits with of 2.5Moz at 1.65g/t in Peru.
- Assessing highly prospective projects for further acquisition.

ABOUT COMPANY **COMPANY MILESTONES**

- 2016 Established in Mongolia
- Acquired ATO and UK projects
- CA\$25M IPO at the TSX

- 2019 Built Heap Leach Mine and Plant/ ATO Phase 1.
- 2020
- Doubled resources and completed Phase 2 FS.

KEY MILESTONES ACHIEVED AND TARGET DATES

Commercial gold production at the ATO Gold Mine.

2023

Secured \$150M financing for Phase 2 Expansion.

2024 Boroo Gold merger and increased annual production.

2026 Phase 2 Expansion production 160koz AuEq per annum.

ABOUT COMPANY

MANAGEMENT TEAM WITH PROVEN TRACK RECORD

BATAA TUMUR-OCHIR

Chairman and CEO

Mr. Bataa Tumur-Ochir, a Mongolian citizen, has a wealth of global experience in the mining and oil and gas industry.

Mr. Bataa Tumur-Ochir is responsible for new business acquisitions, development and government and community relations. He is also responsible for daily operations in Mongolia.

BYAMBATSEREN TSOGBADRAKH

President

Ms Byambatseren Tsogbadrakh, a Mongolian national, is a founding member of the Steppe Gold team.

With years of experience in the field of finance, she has progressively held senior positions within the Company for an extended period.

MATTHEW WOOD Director, Advisor to the Board

Mr. Wood is a mineral resource explorer and developer with over 30 years of global industry experience in mining investments.

Founder of Hunnu Coal Limited sold for~A\$500M (2011). Awarded the Order of the Polar Star, the highest state honour that can be awarded to a non-citizen of Mongolia.

MARIA LERNER Director

Ms. Lerner, a U.S. citizen, has operated a private tax accounting firm since 1986 and possesses an expertise in domestic and foreign tax planning, financia forensics, fraud prevention and dispute resolution.

Ms. Lerner is a Certified Public Accountant, Certified Financial Forensic (AICPA), Certified Forensic Accountant Homeland Security Level V and a graduate of the American College of Forensic Examiners.

DR. ZAMBA BATJARGAL Director

Dr. Batjargal has more than 35 years' experience working for the government entities in Mongolia dealing with issues of environmental protection and climate change. He was the Minister of the Environment of Mongolia from 1990 to 1996.

Dr. Batjargal has extended experience of work outside of Mongolia being engaged in international and multilateral cooperation activities.

SEREENEN JARGALAN Director

Ms. Jargalan has been a professor at the Mongolian University of Science and Technology since September 2003 and head of the Department of Mineral Exploration since 2011 where she teaches Ore Geology and Metallogeny to Bachelors, Masters and Doctorate students.

MANAGEMENT TEAM & BOARD

ANEEL WARAICH Executive Vice President & Director

Mr. Waraich is a financial services professional with 15 years of progressive experience in capital markets having worked on over \$1B in deals.

Founder of ATMA Capital Markets focusing on advising public and private companies in the Natural Resources sector.

PATRICK MICHAELS

Director

Mr. Michaels is the Chairman of Zuri-Invest AG and the Chairman of Asty Capital AG in Zurich, Switzerland. Mr. Michaels has been involved in numerous financings of gold mines in North America as well as various other countries and is a well-respected financial adviser and fund manager throughout Europe.

JEREMY SOUTH Senior Vice President and Chief Financial Officer

Mr. South has over 35 years of experience in M&A, capital markets and private equity in Europe, North America and Australia, including senior positions in investment banking at Deutsche Bank, NatWest Markets and Deloitte. He has been working in Mongolia since 2011.

STEVE HAGGARTY Director

Mr. Haggarty is the Managing Director of Haggarty Technical Services Corporation and a registered member of the Professional Engineers Ontario.

Mr. Haggarty has over 35 years of industrial experience both on-site and at a corporate level, involving several precious metal and copper producers, with a background in project design, commissioning, start-up, metallurgy, process optimization, project management, reclamation and closure.

GREG WOOD Chief Operating Officer

Mr. Wood was a Systems Accountant with over 12 years extensive experience in financial reporting, tinancial analysis, developing key performance indicators and modelling of financial reports over a number of industries including transport, media and infrastructure and held management positions at Asciano and Patrick Stevedores.

ENKHTUVSHIN KHISHIGSUREN Vice President Exploration

Mr. Khishigsuren has over 30 years of Mongolian mineral exploration experience, and advising many successful multinational companies. He has focused his expertise on the precious metals exploration sector, and is credited for having discovered several prospective gold, molybdenum and copper deposits, including the Olon Ovoot multimillion ounce gold deposit.

PHASE 2 EXPANSION

PHASE 2 EXPANSION

\$150M funding secured. initial drawdowns of US\$10M have commenced to accelerate the construction and development of Phase 2 Expansion.

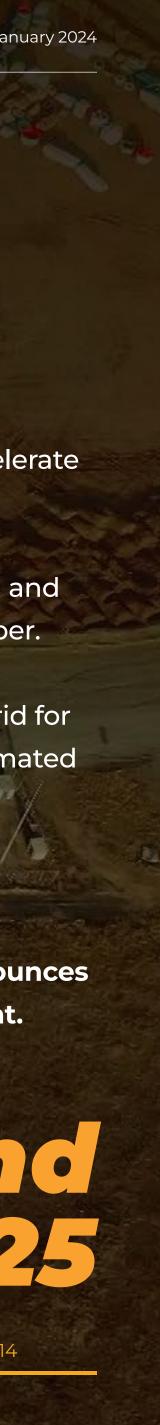

EPC arrangements are in the final stages, partnering with leading international and Mongolian engineering companies. Long lead items to be ordered this November.

Engineering drawings and permits completed to connect to the state power grid for plus 10Mw. It is estimated to save ~\$100 per oz in operating costs, lowering estimated AISC \$900 per oz to \$800 per oz.

New Crushing circuit is commissioning and will be in operation this year.

Phase 2 Expansion will increase our production three times to over 100,000 ounces per annum for 12 years and produce over 1.2 million ounces of gold equivalent.

Commissioning and production by 04 2025

80/20 JV WITH LOCAL PROVINCE **UUDAM KHUNDII PROJECT**

HIGHLY PROSPECTIVE EXPLORATION PROJECT IN WESTERN MONGOLIA

Steppe Gold owns 80% of the Uudam Khundii (UK) project, the largest exploration package in a new potentially gold district of Bayankhongor province, Mongolia.

Initial results from 18 trenches for 933 meters at the Milky Way Prospect and the Altan Soum Prospect had highlighted a mineralized system of at least 700 meters in length and up to 12 meters wide with individual meter sampling results up to 1.49g/t gold, 450g/t silver, 2.98% copper, 3.98% lead and 0.31% Zinc.

EXCLUSIVE RIGHTS

• Steppe Gold owns 80% of 14,400 hectares with the provincial government of Bayankhongor.

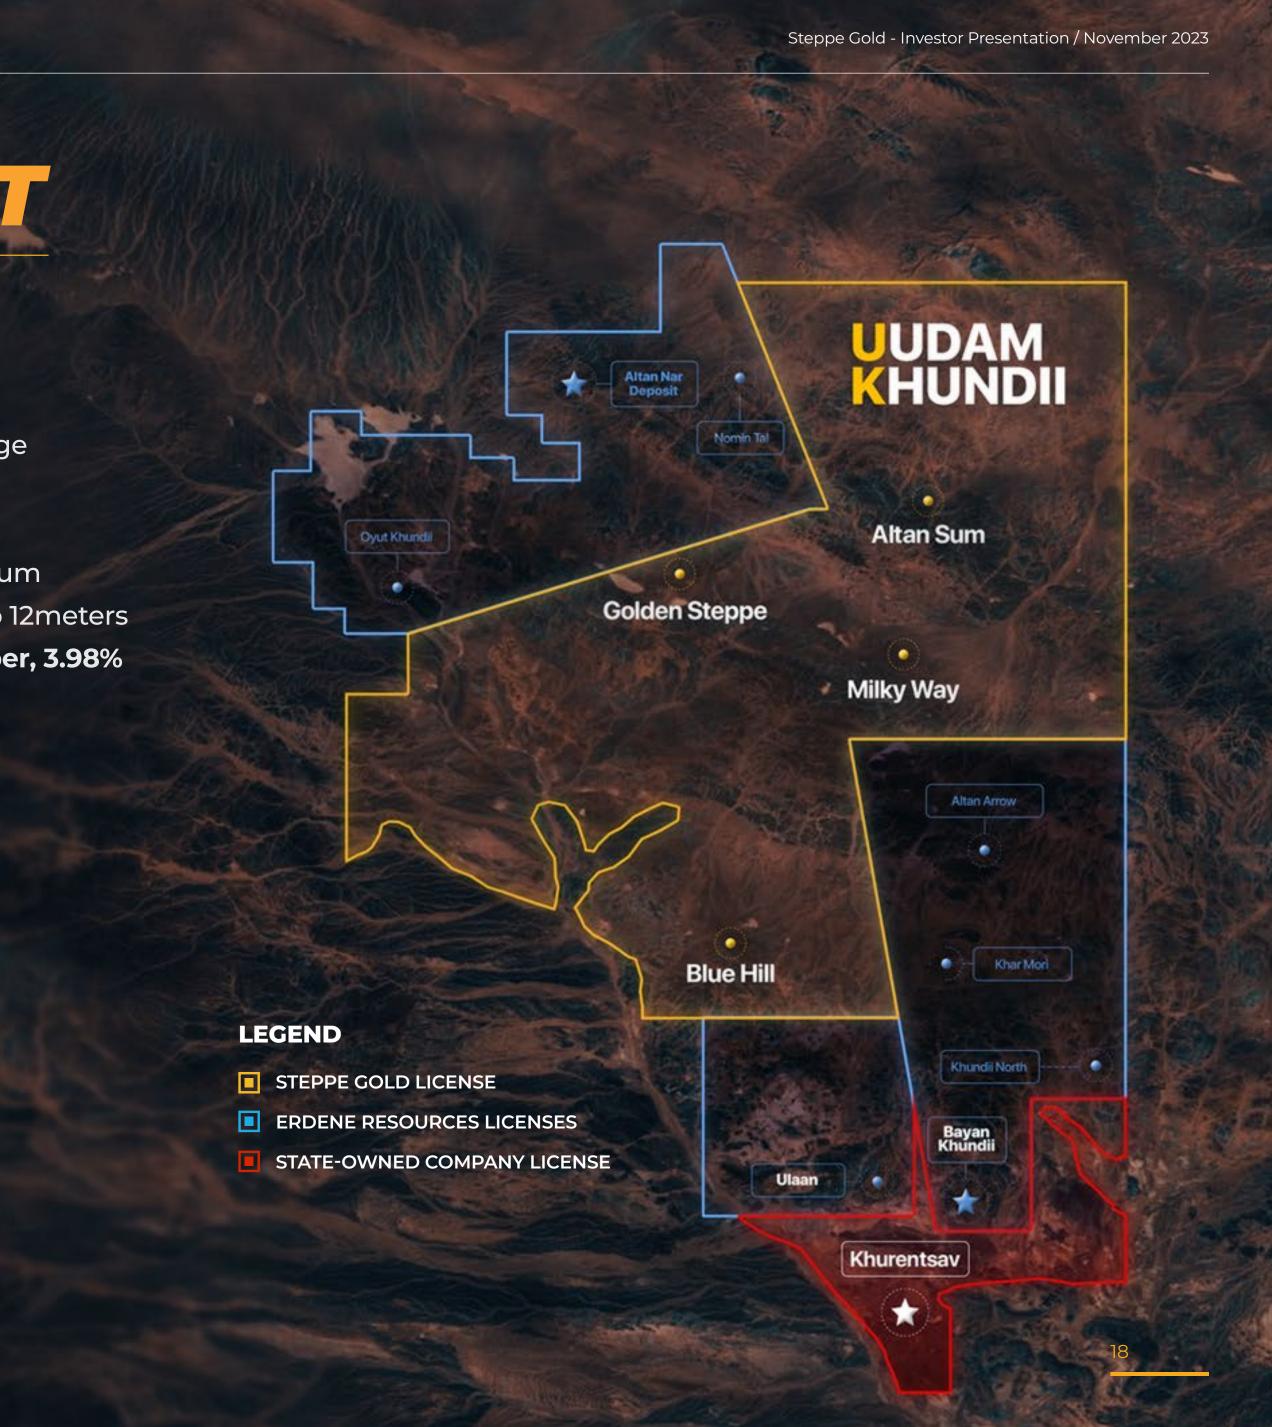

HIGHLY PROSPECTIVE AREA

• Adjoining licences held by Erdene Resources (ERD) have discovered high grade gold silver mineralized zones trending on to Steppe's licences.

FURTHER ACQUISITIONS

• The Company is currently assessing over 200,000 hectares of exploration licences in Western Mongolia for further acquisition.
